## Macho Modular Range

# ABOUT US

“The name of Minar has been synonymous with the growing Indian electrical industry as we stretch our roots back to 1977 when the brand was founded to offer superior performance and premium design at an affordable cost.

We base our innovation on strong research & development, as well as our 4 decades old experience to deliver products which are suitable for every household across the nation.

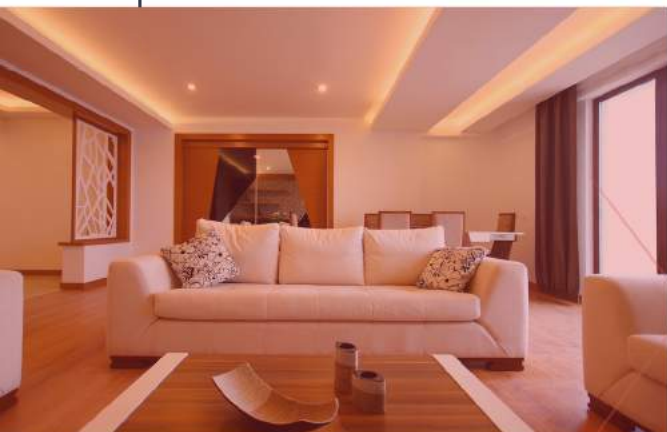

With our Macho range of Modular Switchgears we again deliver the same promise of affordable luxury and a peace of mind through our products that comes with 11 years of warranty.

Flat Switch with Leo Flat Plate

Breaking the monotony of traditional modular plates this is NEXA, a new iconic range from MINAR.

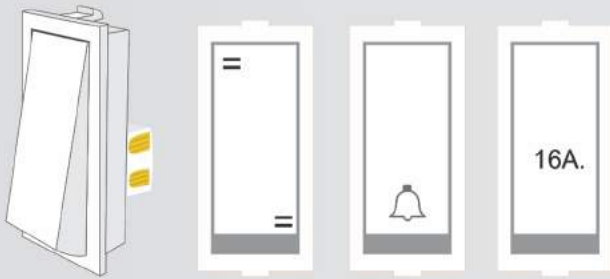

With uniform soft curves embracing the center of the plate. The NEXA has a distinctly unique shape designed to please in equal parts, the plate is innovative, sophisticated and stylishly modern.

Re-invent your space
